

Dear Parents,

Your Tri-M student will be performing/participating in Tri-M events during the school year. Some of these events will be held off the campus of Grafton High School. Students will receive Tri-M specific hours for these events. This permission slip will allow your student to participate in off-campus events and will allow students to ride with Chorus/Band Parents, drive to events, and/or be a rider in another student's vehicle. These performances will be held outside of the normal GHS school day. Please sign any or all that apply. If you have any questions, please contact me at tri-m@griftonband.com. Thanks for your responses,
